

PSG6 INVERTER GENERATOR

Studio Grade Power Solutions

www.multiquip.com

MODEL	PSG6
Generator	
Engine	Honda GX390 Single cylinder, overhead valve, air-cooled
Displacement	389cc
AC Output	120/240V 6500W max. (54.1/27.1A) 5500W rated (45.8/22.9A)
Receptacles	(2) 5-20P, (1) L5-30P, (1) L14-30P, (1) 60 AMP Bates
DC Output	N/A
Starting Systems	Recoil, electric
Fuel Tank Capacity gal.	4.5
Run Time Per Tank Full	4.7 hrs. @rated load, 14.0 hrs. @ 1/4 load
Dimensions (LxWxH)	
Noise Level	60dBA @ rated load 53dBA @ 1/4 load
Dry Weight	326lbs

The unique PSG6 delivers 6,500 watts of dependable, sound attenuated power in a package designed especially for the film industry. Studio professionals will appreciate the exclusive features provided by Multiquip such as a rugged 1- 1/2-inch pipe frame protection and standard Bates connectors. This environmentally friendly unit consumes less fuel than comparable generators and its low noise level makes it ideal for any production environment.

Features and Benefits

- **Inverter type generator** provides stable power for computers and sensitive electronic equipment
- **Easy Starting** is provided by a Honda GX390 engine equipped with electric start
- **Low Oil Shutdown** to prevent engine damage
- **Heavy-duty pneumatic tires** enable the unit to roll easily over rough or uneven terrain. A hand brake allows secures the unit
- **ECO-Throttle** reduces fuel consumption and runs up to 14 hours on one tank of fuel
- **Standard Bates connector**— exclusive from Multiquip— 60 Amp connection to fit your equipment requirements. Additional duplex and twist-lock receptacles are standard
- **LCD control panel** provides a digital readout for performance and service diagnosis
- **Rugged frame** constructed of 1½" diameter steel pipe protects the generator shell from damage
- **Super quiet operation** produces only 60dBA at rated load
- **3-Year Warranty**

Hinged panels provides easy service access

Hand Brake safely secures the unit on grade

Control panel featuring Bates connectors and Honda iMonitor®
