

Multiquip New Product Limited Warranty

There are no warranties, express or implied, made by Multiquip hereunder on products manufactured or distributed by it except the warranty against defects in materials and workmanship on new products to the original purchaser, as hereinafter set forth. Components considered normal wear items are not covered by warranty. Examples of wear items include, but are not limited to, clutches, V-belts, O-Rings, gaskets, seals, brushes, carburetors, throttle cables, impellers, trowel blades, etc.

Multiquip warrants products manufactured by it to be free from defects in material and workmanship under normal and proper use and servicing for the periods specified on this page. Warranty on the engines supplied with the equipment is limited to the warranty extended by the engine manufacturer. Multiquip's sole obligation under this warranty is limited to the replacement or repair, at its designated facility, of only the part or parts thereof as shall appear to Multiquip upon inspection to have been defective in material and workmanship.

A completed Warranty Claim Form, giving model and serial number of the product, date of sale to original purchaser and date and description of failure shall accompany all parts. On-line warranty claim filling is available.

Any part or parts determined by Multiquip to be defective will be replaced free of charge, F.O.B. Multiquip facility. Multiquip reserves the right to select the carrier for shipping replacement parts and will not be responsible for charges related to expediting, air shipment, customs clearance, duties or other incidental shipping fees.

A warranty claim must be reported to Multiquip within 30 days from the date the machine or parts were determined to be defective. Upon request, parts must be returned to Multiquip for evaluation. Such requests by Multiquip will be made within 90 days of receiving the defective report. This warranty does not apply to the use of non-OEM parts, any part or parts which have been subject to abuse or unauthorized repairs.

Multiquip makes no warranty with respect to damage or defects in any product resulting from misuse, misapplication, neglect or accident, or as to any product which has been repaired or altered in any way which, in the sole judgment of Multiquip adversely affects the performance, safety, or purpose for which it was manufactured.

Warranty with respect to products, components and accessories not manufactured by Multiquip is limited to the warranty extended by the manufacturer of those items. Engine/motor manufacturers are responsible for engine warranties.

There are no warranties, express or implied, in addition to the above except as may be provided in writing by Multiquip. Multiquip shall not in any event be liable for any special indirect or consequential damages.

The foregoing warranties are in place and in lieu of all warranties of merchantability and fitness and sets forth the entire obligation of Multiquip.

To avoid misrepresentations with respect to products sold hereunder, the Dealer agrees that no warranties, or other operating guarantees on any products covered by this agreement shall be made in excess of those made by Multiquip.

WARRANTY PERIODS

CONSTRUCTION SOLUTIONS

MQ Compaction Equipment

Rammers	1 year parts and labor
Vibratory Plate Compactors	1 year parts and labor
Asphalt Rollers, Ride-On and Walk-Behind	1 year parts and labor
Rammax Walk-Behind Skid-Steer Rollers	2 years parts and labor
Drive Motor Assembly	5 years parts and labor
Eccentric Housing Assembly and Bearings	5 years parts and labor
Rammax Walk-Behind Articulated Rollers	2 years parts and labor
Rammax Ride-On Articulated Rollers	1 year parts and labor

MQ Pumps - Dewatering

Diaphragm Pumps	2 years parts and labor
Electric Submersible Pumps (Except Yellow Submarine)	1 year parts and labor
Yellow Submarine Electric Submersible Pump	90 days parts and labor
Engine Driven Centrifugal Water Pumps	2 years parts and labor
Dry Prime Pumps	2 years parts and labor

MQ Generators, Welders and Lighting Solutions

Portable Generators (less than 10KW)	2 years parts and labor
Welders (180 amp and below)	2 years parts and labor
Welders (225 amp and above)	3 years or 3000 hours (whichever occurs first)
Light Towers - MLT Series	3 years or 3000 hours (whichever occurs first)
Light Towers - LT series	1 year parts and labor
Balloon Lights	1 year parts and labor

MQ Concrete and Masonry Equipment

Rebar Cutters and Benders (use graded rebar only*)	1 year parts and labor
Concrete Vibrators	1 year parts and labor
Micon Stator and Rotor	2 years parts and labor
Power Buggies	1 year parts and labor
Screeds - Hand-Held, Truss and Hydraulic	1 year parts and labor
Power Trowels (Walk Behind)	1 year parts and labor
Power Trowels (Ride-On)	1 year parts and labor
Gearbox	2 years parts and labor**
Street (Flat), Masonry and Tile Saws	1 year parts and labor‡
Hand-Held Cut-Off Saws	90 days parts and labor
Hand-Held Core Drills	6 months parts and labor
Core Drill Rigs	1 year parts and labor
Diamond Blades and Core Bits	Satisfaction guaranteed***

Concrete and Material Pumps

Mechanical Drive Models	1 year parts and labor
Hydraulic Drive Models	1 year or 2000 hours (whichever occurs first)

E-Z Grout Products

Fence Hog®	5 years parts and labor
Mud Hog® Mixers	1 year parts and labor
Mud Hog® Mixers — Mixing Drums only	5 years parts and labor
All other EZ Grout products	1 year parts and labor

Mixing Equipment

Concrete and Mortar Mixers	1 year parts and labor
Polyethylene Drum Models (except Mix-N-Go)	2 years parts and labor
Polyethylene Drum Models (Mix-N-Go)	1 year parts and labor
Steel Drum Models	1 year parts and labor
Whiteman Mortar Mixer Drum Bearings/Seals (2007 models and later)	Lifetime****
Essick Mortar Mixer Drum Bearings/Seals	1 year parts and labor
Collomix Mixing Products	1 year parts and labor

MQ Surface Preparation Equipment

Grinders, Planers and Floor Scrapers	1 year parts and labor
--------------------------------------	------------------------

POWER SOLUTIONS

Generators

DCA "SS" models	2 years or 2000 hours (whichever occurs first)
DCA "US" models	2 years or 2000 hours (whichever occurs first)
MQ Power Industrial / Standby models	2 years or 2000 hours (whichever occurs first)
MQ Power Containerized models	2 years or 2000 hours (whichever occurs first)
Studio and KD Industrial units	2 years or 2000 hours (whichever occurs first)
All other generators	1 year or 1000 hours (whichever occurs first)

Engines — current engine manufacturers' policy at time of printing — please consult with engine manufacturer for updates.

Trailers — all models 1 year (excluding normal wear items)

* The use of these products with UNGRADED rebar may cause premature wear of components and severely shorten the life expectancy of the bender or cutter. Premature wear and/or component failure related to use with ungraded rebar is NOT considered normal wear and is NOT covered under the Multiquip New Product Limited Warranty.

** For 1 year, gearbox will be replaced at no charge, FOB factory. From one year to 18 months, gearbox will be replaced at 50% of normal purchase price. After 18 months and up to 2 years, gearbox will be replaced at 75% of normal purchase price.

***Diamond blade/Core bits/Diamond tool performance is guaranteed relevant to their designed normal usage.

**** Multiquip extends its warranty period to "Lifetime" for its Whiteman mortar mixer drum bearings and seals, and agrees to furnish, free of charge, the bearings and seals only upon receipt of the defective parts and it is found that the bearings and seals failed due to a defect in quality and/or workmanship. Beyond the first year of coverage the "Lifetime" warranty coverage applies only to the cost of replacement parts and labor is not included. The "Lifetime" warranty does not apply if found that seals and bearings were not maintained according to the manufacturers schedule. The "Lifetime" warranty applies only to the original owner and is non-transferable.

‡ For Street (Flat) Saws Models (4030 and 7060), 1 year parts and labor and 3 years on enclosed spindle assembly.
