

# Multiquip New Product Limited Warranty — General Construction Equipment

There are no warranties, express or implied, made by Multiquip hereunder on products manufactured or distributed by it except the warranty against defects in materials and workmanship on new products to the original purchaser, as hereinafter set forth. Components considered normal wear items are not covered by warranty. Examples of wear items include, but are not limited to, clutches, V-belts, O-Rings, gaskets, seals, brushes, carburetors, throttle cables, impellers, trowel blades, etc.

Multiquip warrants products manufactured by it to be free from defects in material and workmanship under normal and proper use and servicing for the periods specified on this page. Warranty on the engines supplied with the equipment is limited to the warranty extended by the engine manufacturer. Multiquip's sole obligation under this warranty is limited to the replacement or repair, at its designated facility, of only the part or parts thereof as shall appear to Multiquip upon inspection to have been defective in material and workmanship.

A completed Warranty Claim Form, giving model and serial number of the product, date of sale to original purchaser and date and description of failure shall accompany all parts. On-line warranty claim filling is available.

Any part or parts determined by Multiquip to be defective will be replaced free of charge, F.O.B. Multiquip facility. Multiquip reserves the right to select the carrier for shipping replacement parts and will not be responsible for charges related to expediting, air shipment, customs clearance, duties or other incidental shipping fees.

A warranty claim must be reported to Multiquip within 30 days from the date the machine or parts were determined to be defective. Upon request, parts must be returned to Multiquip for evaluation. Such requests by Multiquip will be made within 90 days of receiving the defective report. This warranty does not apply to the use of non-OEM parts, any part or parts which have been subject to abuse or unauthorized repairs.

Multiquip makes no warranty with respect to damage or defects in any product resulting from misuse, misapplication, neglect or accident, or as to any product which has been repaired or altered in any way which, in the sole judgment of Multiquip adversely affects the performance, safety, or purpose for which it was manufactured.

Warranty with respect to products, components and accessories not manufactured by Multiquip is limited to the warranty extended by the manufacturer of those items. Engine/motor manufacturers are responsible for engine warranties.

There are no warranties, express or implied, in addition to the above except as may be provided in writing by Multiquip. Multiquip shall not in any event be liable for any special indirect or consequential damages.

The foregoing warranties are in place and in lieu of all warranties of merchantability and fitness and sets forth the entire obligation of Multiquip.

To avoid misrepresentations with respect to products sold hereunder, the Dealer agrees that no warranties, or other operating guarantees on any products covered by this agreement shall be made in excess of those made by Multiquip.

April 2009

## WARRANTY PERIODS
