

Mix-N-Go Concrete Mixers

Welcome to the future of portable concrete mixers.

Model MC-3SEA

Model MC-3PEA

The Mix-N-Go Concrete Mixer combines a host of performance-enhancing features with ease of transportation to, from and around the job site. It can mix up to three cubic feet of material, making the Mix-N-Go the tool of choice for homeowners and small contractors.

With a stronger frame and sturdy steel or polyethylene drum, the Mix-N-Go is ideal for small footings and bases, binding block and concrete patching. It is available with a gasoline engine or electric motor for operator convenience and for increased versatility. It can also be used as a wheelbarrow to transport concrete, debris and other material around the job site.

When the job is complete, the compact Mix-N-Go fits neatly into the trunk of a car.

- New replaceable blades bolted to the drum.
- Choice of steel or polyethylene drums.
- Engine options — Gasoline or ¾ HP, 115 single-phase UL- and CSA-approved electric motor.*
- Job site convenience — can use standard household power.
- Mixer stand allows drum to rotate 360 degrees.
- New on/off switch protection — water-resistant and dust proof.
- Pneumatic tires.
