FINISH BLADES

Always request genuine MQ Whiteman replacement blades and pans for your Walk-behind or Ride-on trowel. Using a high carbon, high performance tool steel allows MQ Whiteman to produce a very durable and long lasting blade. Quality and durability have been our trademark for over 75 years!

Multiquip offers finish blades for walk-behind and ride-on trowels. Material thickness ranging from .062 to .092 ensures long life and smooth operation.

F11990

Finish Blade
6" x 23" .092"

F10400

Enduro Finish Blade
6" x 18" .092"

F10616

Enduro Finish Blade
6" x 16" .092"

F900

Finish Blade
6" x 14" .062"

F400

Finish Blade
6" x 18" .062"

F400PL

Finish Blade Plastic
6" x 18"

Reverse combo blades were designed to combine the best of two blade types. The benefit is a versatile, cost-effective blade for all applications.

RC818

Rev. Enduro Combo Blade
8" x 18" .092"

RC816

Rev. Enduro Combo Blade
